## SPECIAL PRICING THRU 1-22ND

### BUILDING RELATIONSHIPS THAT BUILD BUSINESSES

**Irr**  
Supply Centers

## COMBHD22A

Portable Dehumidifier  
115v 22 pint Dehumidifier

**\$203.35 EA**

## COMBHD35A

Portable Dehumidifier  
115v 35 pint Dehumidifier

**\$257.95 EA**

## COMBHD50A

Portable Dehumidifier  
115v 50 pint Dehumidifier

**\$300.00 EA**

**Smartphone  
Compatibility**

### FEATURES

- **Automatic Water Level Shut-Off** - When the drain bucket is full, the unit automatically shuts off, then displays a "Full" light
- **Drain Options** - Condensed water can be collected in the removable bucket, or continuously drained through the direct drain with included adapter kit. Units with built-in self-priming pumps can remove condensate through the pump drain with hose provided
- **Easy to Use Controls** - All controls are located on the top of the unit; actual room humidity/relative humidity set point is displayed
- **Auto Restart** - All models automatically resume operation after a power outage, ideal for second homes or offices, as well as primary residences
- **Slide-Out Filter** - Filter is easily removed from unit so it can be cleaned and reused; check filter light is a reminder to clean the filter

Pump flow rate = 0.02-0.03  
Pump gpm lift-head = 16.4 ft. (5m)  
Pump drain hose = 16.4 ft. (5m)

## MULTI-SPEED BATH FAN/LIGHT

**WhisperGreen®**  
**Select Fan/Light**  
50-80-110 CFM, Multi-Speed

**WhisperGreen® Select**  
VENTILATION FAN

PRODUCT #	PRICE
PANFV0511VKSL	\$250.00
PANFV0511VKS	\$160.00

### KEY FEATURES

- Customizable, all-in-one whole house precision ventilation solution ideal for use in the bathroom, laundry room, sun room, basement or garage
- Pick-A-Flow Airflow Selector; features a built-in speed selector (50-80-110 CFM model) combined with SmartFlow™ technology simplifies the selection process and ensures optimum performance to meet code and reduce callbacks
- New! Elegant grille with integrated 10W dimmable LED chip panel with <1W LED night light; JA-8 compliant for CA Tittle 24
- New! Environmentally friendly 26 gauge Zinc-Aluminum-Magnesium (ZAM) housing design
- New! Improved Flex-Z Fast™; single-hinge bracket with added flexibility, fast and easy installation

## VENT TERMINATION SYSTEM

**EZSoffit Vent™ Soffit**  
Termination System

**HVI-Certified EZ Soffit Vent™** helps optimize airflow by letting you complete all ducting before soffit panel install.

**PANEZSV14**

**SALE \$25.00**

### KEY FEATURES

- Patent pending soffit termination system ideal for new residential construction
- First-to-market, HVI-Certified soffit vent helps optimize airflow by letting you complete all ducting before soffit panel install
- High performance soffit vent improves overall fan performance and reduces call backs due to poor airflow
- Simple, one-stop installation helps reduce total installed costs (callbacks, labor and parts)
- Unique design eliminates water intrusion costs associated with roof and/or wall terminations

KRO17109WL Sale \$367

## Royal Series 8" Center Wall Mount Pre-Rinse

KRO17108WL Sale \$313

01

### \*1/4 Turn Ceramic Cartridge Valves

High performance 1/4 turn ceramic cartridge valves that are designed to last longer than traditional rubber compression valves.

02

### \*Stainless Steel Hose

High performance radial wrap tubing pressure tested to 400 PSI.

03

### \*Wall Bracket

Secures pre-rise to wall and is included with all models. Can be cut designed length.

04

### \*Stainless Steel Riser

Heavy duty design built to handle high volume application unlike industry standard brass risers.

05

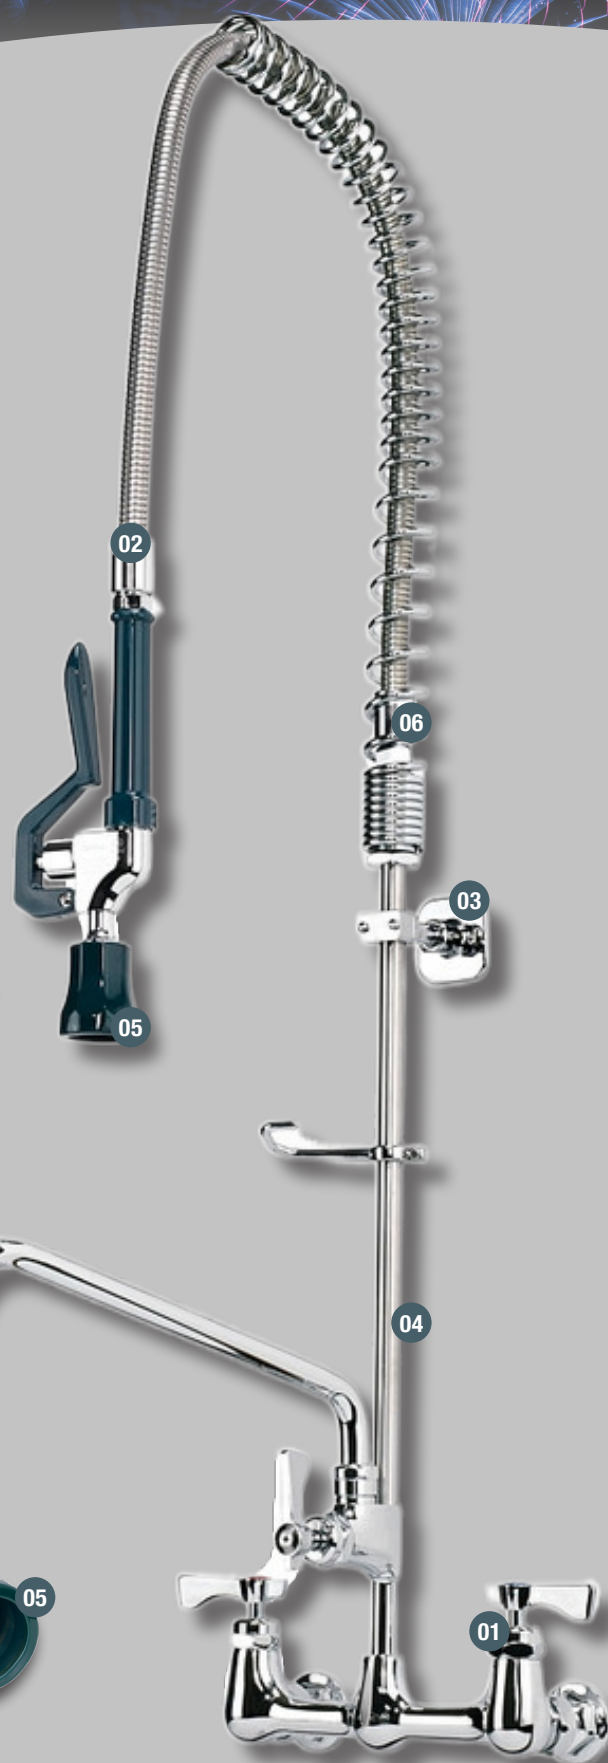

### \*Knife Style Spray Valve

High performance valve cleans dishes more efficiently than the traditional shower style pattern sold by most competitors. 1.2 GPM with heat resistant bumper.

06

### \*E-Z Install Swivel Fitting

Allows for quick installation of pre-rinse without requiring plumber to fully rotate hose while assembling.

# NEW Unit!

## DLCURA QuietComfort® 18 Compact Heat Pump

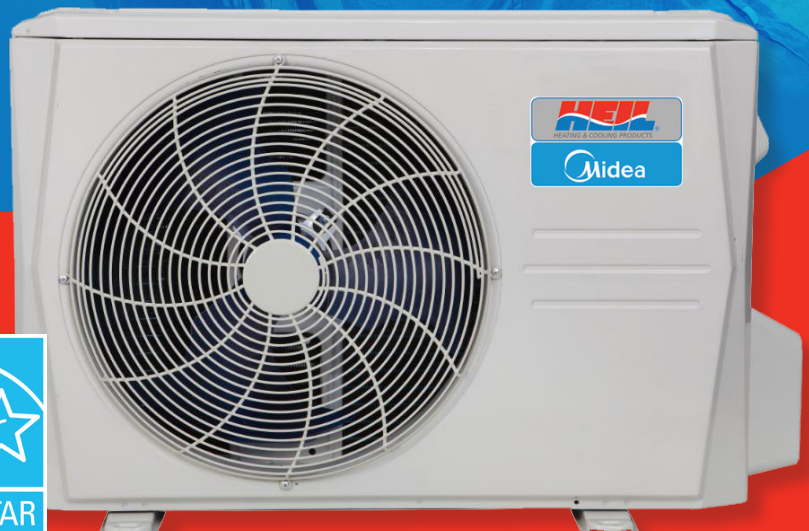

Find the budget-friendly comfort you want in a compact size to fit a narrow lot with our efficient heat pump that gets an up to 18 SEER2 cooling rating. Its small design allows for close installation to your home and is compatible with the Heil Ductless Crossover Solutions.

### KEY FEATURES

**Extra Low Temperature Heating**  
Heat output up to 75% of rated capacity down to -22° F (-30° C), so when it's cold outside, it will be warm inside making this a primary heat source, and reducing the need for a backup heat source.

**Stepless Frequency Adjustment**  
Precise control maintains stable and constant room temperature while reducing sound level and energy consumption.

**Find the right system  
for your home.**

# WATTS® BACKFLOW PREVENTERS

# LEAD FREE!

## 2 IN LEAD FREE SILICON BRONZE

Reduced Pressure Zone Backflow Preventer  
Assembly, Quarter Turn Shutoff Valves

**WATLF909QT112 1-1/2"**

**WATLF909QT2 2"**

**Available  
3/4"-2"**

### FEATURES

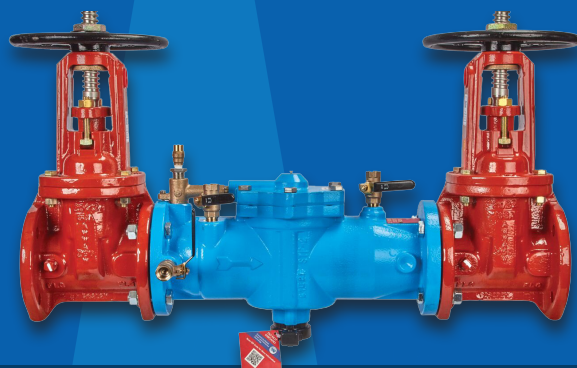

- Single access cover
- Unique patented air-in and water-out design provides high capacity relief valve discharge performance during emergency conditions
- Lead free bronze body
- Horizontal or vertical (up or down) installation
- Compact for easy installation

## REDUCED PRESSURE VALVE ASSEMBLY

Backflow preventers with 1/4" turn valve.

**WATLF009QT112 1-1/2"**

**WATLF009QT2 2"**

### FEATURES

- We carry 3/4", 1", 1-1/4", 1-1/2" and 2"
- **SentryPlus Alert®** technology to detect excessive water discharges from the relief valve. Activated through an add-on connection kit, the sensor can trigger the alert system sending notification of flood detection to facility personnel.
- Screwdriver slotted ball valve test cocks
- Captured springs for safer maintenance
- Large body passages for low pressure drop
